Commissioner for Patents

In a telephone conversation in May 15, 2006 between Mr. Martin and Examiner Lin, Mr. Martin brought the attention of Examiner Lin to page 2 of the office action dated April 28, 2006, wherein only claims 1-7 are rejected and he requested the Examiner to issue a new office action. Upon reviewing the office action, it was discovered that an inadvertent typographic error occurs in page 2, second paragraph of the office action in view of "Office Action Summary" wherein it indicates in item No. 6 that claims 1-7 and 23-36 are rejected. Thus, it is apparent that the correct statement shall be "claims 1-7 and 23-36 are rejected under 35 U.S.C. 103(a) as being unpatentable over Strininger et al." Since the typographic error is so apparent to those of ordinary skill in the patent prosecution field that a new office action is not deemed to be necessary.
